

Quality Windows with Choice Features

Anlin Bay and Bow windows can dramatically improve the appearance and value of your home. They practically bring the outdoors right inside. Rooms feel larger and lighter. Simply put, bay and bow windows make a home special. Anlin Bay and Bow Windows are built using our premium Coronado Series Windows and provide many features and advantages.

- ▶ Blends nicely with Del Mar, Catalina, and Panoramic Window series
- ▶ Makes any room feel larger.
- ▶ Welcomes in more light.
- ▶ Seatboards and headboards are 1 3/8" solid plywood, with A-1 grade oak veneer on the interior and have a vinyl coating on the exterior for moisture protection.

Bay

Bay Windows are made with a picture window and either a double-hung or casement window on each side.

Bow

Bow Windows are made with picture windows and a casement window on each side.
